### Item 3.02 Unregistered Sales of Equity Securities

On March 2, 2009, Lixte Biotechnology Holdings, Inc. (the “Company”) had a second closing of a new private placement pursuant to which the Company sold to accredited investors 262,000 Units, each Unit consisting of one share of its Common Stock (a “Share”) and one five year warrant (a “Warrant”) to purchase a Share on a cashless exercise basis at an exercise price of \$0.50 per Share. The purchase price of a Unit was \$0.50 resulting in gross proceeds of \$131,000. WestPark Capital, Inc. (“WestPark”) acted as placement agent and received \$13,100 in commissions and \$5,240 representing a non-accountable expense fee. The Company also will issue to WestPark five year warrants to purchase up to 26,200 shares of the Company’s Common Stock and five year incentive warrants to purchase up to an additional 5,240 shares, all such warrants to be exercisable at \$0.50 per Share.

The Company has agreed to include the Shares and those issuable upon exercise of the Warrants requested by the holders to be so included in any registration statement with the SEC permitting the resale of such securities subject to customary cutbacks.

The Units sold were not registered under the Securities Act of 1933, as amended (the “Act”) in reliance upon the exemption from registration contained in Section 4(2) of the Act and Regulation D promulgated thereunder. The Shares, Warrants and Shares issuable upon the exercise of the Warrants may not be reoffered or sold in the United States by the holders in the absence of an effective registration statement or exemption from the registration requirements of the Act.

The Company intends to use the net proceeds to pursue development of proprietary compounds for the submission of an IND to the Food & Drug Administration for a Phase I clinical trial, and for working capital.
